When an alternate is needed to fill the place of a regular member, the two alternate members shall rotate the responsibility. Additionally, one member of the City Council shall be appointed semi-annually by the Council to serve as the City Council's liaison to the Planning Commission. Such Council member shall have the right to attend all meetings of the Commission and take part in all discussions, but shall not vote on Commission decisions. Funding for the Commission shall be established annually by the City Council and may include a stipend for members and alternates for each official meeting attended.

    - (a) The lot is legally nonconforming.
    - (b) The construction of a building upon the nonconforming lot will be in harmony with one or more of the purposes of this Title as stated in Section 15A-01-03 hereof and shall be in keeping with the intent of this ordinance. (Ord 09-02, Amended 1-26-2009)
    - (c) The proposed building will not impose undue burden upon the lands located in the vicinity of the nonconforming lot.
  - (2) Where a parcel of land was at least 1-1/2 times as wide and 1-1/2 times as large in area as required for a lot in the district at the time this Code was adopted, permit the division of the parcel into two lots. The person requesting the special exception must show that the land in question qualifies for this exception.
  - (3) Where a zone boundary line divides a lot which was in single ownership at the time of passage of this Code, the Planning Commission may permit, as a special exception, the extension of the regulations for either portion of the lot not to exceed 50 feet beyond the district line into the remaining portion of the lot.

    - (a) The term "prudent avoidance" shall refer to those practices and standards which serve to minimize degradation of community aesthetics and real property values, and avoid exposure to electrical and magnetic fields and other public risks. - (b) The person or entity proposing to install transmission lines shall bear the burden of showing reasonable mitigation by prudent avoidance.
- (5) Permit a structure which is attached to the dwelling structure ("attached structure") to extend into the required side yard setback provided the owner/applicant complies with the following:
- (a) Establishes that the attached structure existed at the time of the adoption of this section (05/21/96);
  - (b) The attached structure complies with all other requirements of this Development Code, the International Building Code (IBC), the International Fire Code (IFC), and other applicable city, state or federal laws;

  - (f) Extension of an attached structure into the side yard setback will be allowed on one side of the dwelling only. In order to obtain approval for an attached structure to extend into one side yard setback, all structures encroaching into the other side setback must be removed and the setback maintained free of obstructions (exclusive of fencing) for fire access into the rear of the dwelling.
  - (g) After issuance of a permit for an attached structure hereunder, the dwelling structure may not be altered, enlarged, added to or moved unless and until the attached structure is removed and all structures on the property thereafter comply with the side yard setback regulations.
  - (h) After issuance of a permit hereunder, the attached structure shall not be altered, enlarged, added to, moved or its use changed. If such enlargement, alteration, addition, movement or change of use occurs, the attached structure must be restored to the configuration and use upon which the permit was issued or it must be removed entirely.
  - (i) A photograph of the dwelling structure and its attached structure shall be submitted with the application for a special exception.

- (j) After approval of a special exception and issuance of a building permit and after inspections are made and all requirements complied with, the City will issue a Notice of Compliance which will set forth the conditions under which the approval and permit were issued. The Notice of Compliance must be filed with the County Recorder and proof of that filing must be submitted to the Department.
  - (6) Before taking action on any special exception request, the Planning Commission shall review it at a public meeting. In the event that the Planning Commission decides to authorize a building permit, it shall have the power to specify the exact location, ground area, height, and other details and conditions of extent and character and also the duration of the building, structure, or part thereof to be permitted.
